

**REMARKS**

The Official Action mailed October 4, 2005, has been received and its contents carefully noted. Filed concurrently herewith is a *Request for One Month Extension of Time*, which extends the shortened statutory period for response to February 6, 2006. Accordingly, the Applicants respectfully submit that this response is being timely filed.

The Applicants note with appreciation the consideration of the Information Disclosure Statements filed on April 2, 2004; and May 11, 2004.

Claims 1-21 were pending in the present application prior to the above amendment. Claims 1, 3, 5, 7, 9 and 11 have been amended to remove a feature (i.e. "an eyepiece") which is not believed to be critical to the patentability of the claims, claim 19 has been amended to correct a minor informality, and new dependent claims 22-30 have been added to recite additional protection to which the Applicants are entitled. Accordingly, claims 1-30 are now pending in the present application, of which claims 1, 3, 5, 7, 9, 11, 13, 16 and 19 are independent. For the reasons set forth in detail below, all claims are believed to be in condition for allowance. Favorable reconsideration is requested.

The Official Action rejects claims 1-12 under the doctrine of obviousness-type double patenting over the combination of claims 1, 2, 4, 5, 7, 8, 10, 11, 13, 14, 16 and 17 of U.S. Patent No. 6,822,293 to Yamazaki et al. and U.S. Patent No. 5,845,166 to Fellegara et al. The Official Action rejects claims 13-21 under the doctrine of obviousness-type double patenting over claims 1-9 of Yamazaki '293.

In response to these rejections, a *Terminal Disclaimer* is submitted herewith. Upon filing of this *Terminal Disclaimer*, the claims of the present invention are now believed to be in condition for allowance. Reconsideration and withdrawal of the obviousness-type double patenting rejections are requested.

New dependent claims 22-30, which recite a pixel electrode over an organic insulating layer, have been added to recite additional protection to which the Applicants

are entitled. For the reasons stated above and already of record, the Applicants respectfully submit that new claims 22-30 are in condition for allowance.

Should the Examiner believe that anything further would be desirable to place this application in better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,

---
